## Danielle DeBoe

LIVING  
PASSIONATELY

SUNDAY, JULY 18<sup>th</sup>

2:00 - 3:00<sup>PM</sup> Q&A

After spending years outside of Cleveland establishing a career in a creative field, Danielle DeBoe realized that to achieve the quality of life of her dreams, she really needed to have a creative role in the context of a COMMUNITY that feeds her soul. Having been born in Cleveland this is the community that Danielle feels she should be giving back to and helping to build.

Virtually every project that Danielle involves herself in; from opening her "arts-centric lifestyle boutique", ROOM SERVICE in Cleveland's Gordon Square Arts District, to the MADE IN THE 216 event series which she created and organizes, as well as the DINNER WITH STRANGERS series which she co-founds and co-hosts along with Ryan Santos of Please Catering, is about adding to and harnessing a sense of community.

Danielle believes that living passionately and not waiting for the 'ideal' time to take action is the most enriching way to discover your path.

**THIS EVENT IS A ROUNDTABLE DISCUSSION AND REVOLVES AROUND YOUR THOUGHTFUL QUESTIONS FOR OUR GUEST. PLEASE ARRIVE EARLY FOR A SEAT AT THE TABLE AND COME PREPARED WITH QUESTIONS. THANKFULLY, METER PARKING DOWNTOWN IS FREE ON SUNDAYS!**
